TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of New London in the County of Merrimack in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at Whipple Memorial Hall in said New London on Tuesday, the fourteenth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To hear reports of agents and committees heretofore chosen and pass vote relating thereto.
3. To see if the Town will vote to raise the sum of \$8,180.00 to defray Town Charges for the ensuing year and make appropriation of the same.
4. To see if the Town will vote to raise and appropriate the sum of \$75.00 for the observance of Memorial Day.
5. To see if the Town will vote to raise and appropriate the sum of \$2,800.00 for the Town Library for the ensuing year.
6. To see if the Town will vote to raise and appropriate the sum of \$1,735.04 for street lighting for the ensuing year.
7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for cemetery purposes for the ensuing year.

8. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the support of the New London Hospital for the ensuing year. This amount to include \$300.00 for care of Town Poor.

9. To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for Summer maintenance and \$2,500.00 for Winter maintenance of highways, bridges and sidewalks for the ensuing year.

10. To see if the Town will vote to raise and appropriate the sum of \$650.00 for Hydrant service.

11. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other towns in the Dartmouth-Lake Sunapee Region.

12. To see if the Town will vote to raise and appropriate the sum of \$100.00 toward the maintenance of a Skating Rink.

13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 as an initial contribution to a Town Post-War Public Works Fund, said fund to be used independently or in connection with projects approved by the Council on post-war Planning and Rehabilitation as established in 1943 under authority of the State of New Hampshire.

14. To see if the Town will vote to raise and appropriate the sum of \$500.00. Of this, \$400.00 to be used towards a fund to start a map of New London. \$100.00 to be used by the Planning Board for general expenses.

15. To see if the Town will vote to raise and appropriate the sum of \$200.00 to assist the Sunapee Lake Fish and Game Club in stocking Lake Sunapee, provided the Town of Sunapee appropriates a like sum or takes any action thereto.

16. To see if the Town will authorize the Selectmen to hire the necessary money for ownership and construction of Williams Road.

17. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

18. To see what action the Town will vote to take in regard to discount on taxes.

19. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes for the ensuing year.

20. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this twenty-eighth day of February in the year of our Lord nineteen hundred and forty-four.

HOWARD E. TODD,
WALTER E. GAY,
LEON W. BICKFORD,
Selectmen of New London.

A true copy of Warrant—Attest:

REPORT OF AUDITOR

I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Trustees, and Trustees of Trust Funds, have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the Town Business for the year ending January 31, 1944.

I have also examined the books and accounts of the Treasurer of the New London Water System Precinct and find them correctly cast and supported by proper vouchers and bank statement of funds on deposit February 1, 1944.

IRA S. LITTLEFIELD, Auditor.

TRACY MEMORIAL BUILDING

Librarian's Report

The record of Tracy Memorial Building for its seventeenth year, ending January 31, 1944 shows a year of active service, both as a library and as a community center.

Among the groups enjoying the privilege of meeting there are the Woman's Club, 4-H Club, Star Circle King's Daughters, Missionary Circle, Civic Association, Garden Club, New London Home Industries, Unemployment Board, Committee on Cancer Control Drive, Hospital Board, Town Planning Board, Farm meetings, Supervisors of the Checklist, and the newly formed New London's United Organization for Service Men and Women.

Mrs. Helen Colburn held a piano recital in June. Two good-sized groups met in the clubroom for the purpose of packing Christmas boxes for our service men.

The Forum returned to our auditorium for their four sessions for enlightenment and discussion of timely subjects pertaining to post-war planning. At the last one, we were delighted to have the author, Stuart Chase, present to enter into the discussion and to autograph ten of our library books written by him.

The first nationwide Religious Book Week was observed March 28-April 3 with an exhibit of books of a religious nature. In connection with a War Gardens for Victory display, a Kodachrome film, "Gardening Is Good Fun", was shown at a Civic Association meeting. A display and sale of Chinese-made Christmas cards and minute hand-made Chinese animals and birds was conducted at the desk for the benefit of Chinese relief.

During July we were fortunate in being able to secure the rather unusual paintings of Lois Bartlett Tracy of Winnisquam, N. H. In August we joined in nationwide tribute to Abbott H. Thayer, an artist who has spent much of his life in this state. A showing of books and posters about and from Great Britain proved of interest to visitors during a week in October in connection with British Book Week and a program on that country presented in the Woman's Club. At the same time we were able to obtain parts of a German land parachute and fragments of German bomb and shell which were displayed at the desk.

The usual Children's Book Week was held in the auditorium during the week of November 15-20 with many interested visitors and again we offered the public the opportunity of ordering books at a discount.

Bulletin boards have shown a variety of current topics.

The scrapbook "Our Boys in the Service", on the study table, has been very popular during the year and one by one the pictures and items have come in to help fill the pages. It is with added interest that visitors look each time to see what has been added. We regret that some of our boys have as yet failed to give us a picture for their pages. The committee on the newsletter for the service men, on which your librarian serves, is keeping a copy of each issue on file at the library so that interested persons may see just what is being sent to our boys. The library was happy to be able to purchase the books "Strength for Service" (to be sent to our men) thus allowing the church our discount. "A Book of War Letters" one of which is written by our own George Graves, Jr., was presented to the library by his parents, Mr. and Mrs. George Graves.

During a test air raid we were surprised to find our building one of the seven "incidents", having been unaware that we had been "bombed", but our fire company had things under control in the record time of three minutes.

Many books have been borrowed from the usual sources as well as from other town libraries in the state. The Bookmobile continues its visits, although not as frequently, to Elkins and to our library.

Books have been loaned by our library to Elkins school and to Grades I-II, III-IV, and VII-VIII for classroom libraries. An aeronautical dictionary has been loaned

to the local school for the especial use of the class in aviation. Lowell Thomas' book "These Men Shall Never Die" was selected by the school to be presented to the school library as the prize won some time ago during a Book Week Contest. Our lantern and slides were loaned to the school in connection with a geography class. We have also found it possible to pass on duplicate copies of books to libraries in Newbury, Sutton, and the Central school.

During June we lost the services of our part-time assistant Mrs. Albert I. Oliver, Jr., who with her husband was soon to leave for a position elsewhere. Miss Phebe Wallace took over the work from June to January 15th when she resigned to be replaced by Mrs. Helen Nelson, who will now have charge of the children's room. The Saturday afternoon programs have been very well attended and the youngsters have enjoyed the stories, "making things", and participating in the games and parties. Miss Julia Todd served as librarian during your librarian's vacation in August.

Figures for the past year show that visitors numbered 12,914 or slightly less than last year. The circulation of books, magazines and pictures totaled 13,378 showing a slight decrease in fiction and an increase in non-fiction. Vault and deposit space continue to rent at a premium.

Books added totaled 450 for the year of which a little over 25 per cent were by gift. Among gifts received were books, magazines and newspapers. Donors include Miss Eleanor Lovett, Mrs. Bessie Sargeant, Prof. T. Leslie Shear, Mrs. Mary D. Caroe, Mr. and Mrs. Forrest W. Kimball, Mrs. F. W. Sladen, Mrs. G. Harley Pierce, Senator and Mrs. H. D. Swift, Mr. and Mrs. Robert Sawyer, Dr. J. Duane Squires, Miss Carrie Quackenbos, Mrs. John Reid, Miss Gertrude Jones, Mrs. Edith Carlisle, Mrs. Waldo Cummer, Mrs. A. I. Oliver, Jr., Miss Sallie Waite, Mrs. Helen Blake, Mrs. Arthur Whitcomb and Mr. John Morgan.

Growth of our book and reference magazine collection during the years has been so great that the capacity of both stackrooms is already taxed to the limit. This will necessitate immediate planning for future enlargement.

Several magazine subscriptions have been discontinued and Business Week, Current Biography and Time have been added. A book inventory was taken again this year with results better than last year. Very helpful during the coming year will be a recently obtained Standard Catalog of non-fiction books and Pamphlet File in Libraries. By the use of the latter, we hope to build up that file for added help in reference.

The garden and lawns were kept in excellent condition by our janitor with the aid of his young helpers, and we have had many complimentary remarks on the upkeep of the building as well as the grounds. In March our furnace was reconverted to coal. However we hope that it may be possible to change to oil again soon. Our faithful janitor, Mr. Edward Dexter, has just received his call to the armed services.

Looking into the future, beyond the present struggle, thoughts of which are ever present in our minds today, let us hope that year by year, our library may continue to grow in its opportunities for service to young and older alike making for a better understanding in the post-war world to come.

Respectfully submitted,

LENNIE M. MESSER, Librarian.

REPORT OF THE NEW LONDON HOSPITAL BOARD AND NURSING ASSOCIATION

Secretary's Report

The year 1943 has been one of problems and difficulties for the New London Hospital. The largest problem has arisen from the shortage of nurses during this wartime period. Without the assistance of local and summer people (nurses, nurses' aides, and members of the Hospital Aid Association) it is doubtful if our hospital could have continued to serve the community.

Miss Ward tendered her resignation in December and the board feels fortunate in securing the services of Miss Amelia McLeod as the new superintendent.

Not only has the hospital received much help from its friends in the line of work but it has also received generous gifts from the Summer Residents' Committee and various local people. An excellent mangle has been given by Mrs. Lindsay Wallace. Two anonymous donors have redecorated the third floor of the Hospital. A portable respirator has been presented by a group of War Veterans. A "Hess Bed", which is the latest and best type of incubator, has been given by the summer residents and by Mr. and Mrs. Herbert D. Swift.

The annual Hospital Day was an outstanding success, setting a new high record with total receipts of over \$3,000.00. The Hospital Aid Association has paid off \$800.00 on the debt. A gift of \$5,000.00 from the F. E. Nelson estate has been received and invested in the endowment fund.

The annual election of new members to the Hospital Board took place in September and the present membership on the Board is as follows: President, Dr. J. Duane Squires; Vice President, Miss Eleanor H. Lovett; Secretary, Miss Mary C. Barrett; Treasurer, Mr. C. Vance Allyn; Miss Dorris Smith, Mrs. A. Stanley Little, Mrs. LeRoy Marshall, Dr. H. Leslie Sawyer, Mr. Clayton Fisher, Mr. Ervin Edmunds.

Members of the board have been appointed to the following committees: Hospital Visitation Committee, Nurse's Home Committee, Finance Committee, and Liaison with the Summer Residents' Committee. The Hospital Visitation Committee, of which Mrs. Little is the chairman, has had a particularly busy time. They have spent many days searching for and interviewing nurses; have conferred almost weekly with Miss Ward about conditions therein, and have made many valuable suggestions. The Finance Committee, headed by Mr. Edmunds, has also been active. Money of the endowed funds has been re-invested at a higher rate of interest; the laundry equipment has been studied and will be improved; a new safe has been purchased and put in the office at the hospital; other recommendations of value to the efficient management of the hospital have been made and put into effect.

The members of the Nurses' home committee have reported that the house could be more attractively furnished and it is hoped that something definite may soon be reported on this. The group responsible for Liaison with the Summer Residents' Committee, of which Miss Lovett is the chairman, makes suggestions with regard to hospital expenditures and acts as an informational agency between the New London Hospital and the summer residents. As has already been mentioned this committee has been responsible for the purchase of much new equipment for the hospital, including five of the latest type hospital beds and some laundry machinery.

Nurse's aides have given more than nine hundred hours of work from July 1, 1943 to January 1, 1944. Other developments included: the appointment of Mrs. Almina B.

Smith as bookkeeper on a part-time basis; the success of the Blue Cross program in New London; and the establishment of a quarterly News-letter to give news of the hospital to the residents of New London and of surrounding towns.

The interest and cooperation of every resident is necessary for the continued success of the hospital. The members of the board take this opportunity to say thank you to the nurses, nurse's aides, members of the Hospital Aid Association and all others who have given so generously of their time and money during the year 1943.

Respectfully submitted,

MARY C. BARRETT, Secretary.

HOSPITAL AID ASSOCIATION REPORT

For the Year Ending October 1, 1943

During the past year, all day meetings have been held at the homes of the members with a very good attendance.

A great deal of mending for the Hospital was done at the meetings, also work done on linens for the sale on Tag Day.

During the summer the mending was done at the home of Mrs. Blake.

The money raising activities have been the Rummage Sale, Victory supper, sale of paper dusters, sale of pillows at the movies, membership drive and sale of a quilt. The amounts raised will appear in the treasurer's annual reports.

A great many supplies have been purchased for the Hospital and \$700 was paid on the Hospital debt.

Respectfully submitted,

RUTH W. MORELAND, Sec'y.

THE DARTMOUTH-LAKE SUNAPEE REGION

The Legislature of 1937 authorized the establishment of six Regions, each comprising a group of towns suggested by the State Planning and Development Commission. The Dartmouth-Lake Sunapee Region comprises this town and 37 others in this section of the state. The Region is incorporated as a non-profit corporation and its affairs are supervised by a group of officers chosen annually. The Region employs a full time secretary who is **paid by the state** (not by the towns). Thus your Region is a set-up established by law and the matter of whether or not it has sufficient financial support to render real service to your community rests with the voters of the towns. During its existence the Dartmouth-Lake Sunapee Region can point to the following accomplishments. Through the publicity it has issued it has brought visitors to every town, some have established summer homes and others have become permanent residents. It has been instrumental in bringing industries to several towns. It has inaugurated plans that have saved historic landmarks. It has sponsored paying summer attractions. It has been active in bringing about a survey of our mineral resources that has resulted in revenue to many towns and has conducted studies of new agricultural products.

By an appropriation not exceeding 1/100 of 1% of the assessed valuation the Region now asks the support of your town in continuing the program that has brought about the aforementioned results and to institute the following three projects which if carried through must result in added income to each of the 38 towns of the Region. (1) A research of the possibilities of establishing industries that will use as raw materials, minerals within our area and make a study of the feasibility of the production, processing and sale of several agricultural products that in the past have received but little attention. (2) To cooperate with each of the towns in preparing descriptive pamphlets showing the attractions, natural advantages and resources of the community with the idea of eventually incorporating such material into a book descriptive of the whole Region. (3) To establish a system of Recreation Trails following back highways and little used roads leading to scenic areas and desirable locations in each of the 38 towns in the Region. As it is not deemed proper to devote more space in your Town Report to this subject, details have been omitted, however, letters of inquiry regarding any matter here mentioned will be welcome and given careful reply. Address Dartmouth-Lake Sunapee Region, New London, N. H.

REPORT OF FOREST FIRE WARDEN

New London was very fortunate during the past year in regard to forest fires, with only a few fires reported and none getting out of control.

Fire statistics indicate that better than 98% of all fires in New Hampshire are man caused. If human carelessness could be eliminated from the problem, the number of fires would drop to a mere minimum of less than 2% of present figures and fire costs and losses would reduce in proportion. While this goal will not be achieved because of the perversity of human nature, the record can be vastly improved through individual discipline, alertness, and cooperation.

The forest fire equipment is in excellent shape and is being well taken care of, but with the supply of manpower getting smaller every day, it becomes necessary to use even greater care and precaution in the control of danger from outdoor fires.

As Forest Fire Warden for the town of New London, I would suggest a few helpful hints for the year of 1944, as you begin to clean up around your property and start to burn rubbish, etc., this spring:

- (1) That no person shall kindle a fire or burn any material in or near woodlands, pastures, brush, spruce, waste or cut over land, or where the fire may be communicated to such land, except when the ground is covered with snow, without the written permission of the Forest Fire Warden.

- (2) When you are in or near woodland, perhaps in a car, be careful with your lighted cigars, cigarettes and matches and see that they are completely out.
- (3) Notify your Warden of any fires you see as soon as possible.

I wish to thank the people of New London for their watchfulness in reporting fires and for their cooperation in being willing to delay all burning until weather made it safe.

Respectfully submitted,

MERLE C. GAY,

Forest Fire Warden.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London, of which the above is a true summary for the fiscal year ending June 30, 1943, and find them correct except for a difference of \$15.29 between the records of the School District and the National State Capital Bank of Concord, New Hampshire.

M. ROY LONDON, Auditor.

July 12, 1943.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board:

I herewith submit my tenth annual report as Superintendent of Schools.

During last summer we had an unusually large number of changes in the corps of teachers, six out of the eight teachers in the Central School being new this year.

Mr. Albert I. Oliver, who had successfully served as headmaster for five years, left last June for a position in Cushing Academy, Ashburnham, Mass. We secured as his successor Mr. Vernon L. Bolster, a graduate of Colby College. Mr. Bolster has had several years of successful teaching, the last of which was at the Richards Junior High School, Newport, N. H.

Mrs. Ruth H. Cass, the new teacher of English, French, and Latin is a graduate of the University of North Carolina. Mrs. Cass is one of the many retired teachers who are willing to return to school work to help out in the emergency.

Mrs. Carrie S. Conery, who now has charge of grades 5 and 6 is a graduate of Plymouth Teachers College with five years of teaching experience.

Miss Marilyn Spinney, teacher of grades 3 and 4, and Miss Alma Whitman, teacher of grades 1 and 2 are accelerated juniors at Keene Teachers College. These girls are allowed to teach at the end of their junior year provided they attend summer school last summer and next.

Mrs. Helen Colburn has charge of grades 7 and 8 this year. Following attendance at Normal Schools in Vermont and New Hampshire she has taught successfully for several years.

Mr. Harry L. Wechter, our science teacher, has been deferred by his Selective Service Board until next spring, as an essential worker.

Our faithful and efficient janitor, Mr. Edward Dexter, was placed in Class 1-A and was not granted deferment.

The second year of occupancy of the new building increases our satisfaction with the improved accommodations. It is a delight and a privilege to work in such pleasant and adequate surroundings. There are no difficulties or regrets except for the matter of heat in the auditorium. It is not possible to heat this large, open space under present conditions. I therefore renew my recommendation of last year to install a ceiling just under the rafters. That would prevent the heat from wastefully escaping through the roof. A sound proof ceiling would also improve the acoustic properties of the hall.

Two boys in last year's graduating class (1943) entered the U. S. Service: Carlton Bradford in the Navy and Edwin Roberts in the Army. Herbert West, Class of 1944, has joined the Marines.

C. Ellsworth Duffett, Jr., (Class of 1944) was granted last June a War Emergency Certificate. He entered the armed forces February, 1943, being the first pupil to leave school to enter the U. S. service.

We appreciate the generous and effective help given by Mr. Robert Ashley in coaching boys' basketball and by the Colby Junior College girls in physical education classes in directing our gymnastic exercises. We also thank Mr. Edwin Edmunds for coaching the basketball team this year.

The pupils in both schools have performed an outstanding service in the purchase of stamps and bonds. During the fall term the Central School purchased a total of \$2,226.10. The Elkins School purchased \$59.00 worth of stamps, which is an excellent record for a small school of 16 pupils. Both schools have collected waste paper and scrap. The Central School collected last fall 4,775 pounds of paper in the national campaign.

The tuition rate in the elementary grades has been increased from \$36.00 to \$50.00 per pupil per year. This is nearer the actual cost without being excessive.

The High School is giving again a course in the Fundamentals of Aeronautics to a class of six. There is also a pre-induction class in Fundamentals of machines for the boys who will soon enter the armed forces. Last year we gave a pre-induction course in electricity.

A successful class in home nursing was given to ten girls last year by the School Nurse, Mrs. Della Spiller. This course is being given again this year. The nurse's room in the basement is found to be very useful for such classes, conferences, and examinations.

Walter Moreland (Class of 1943) transferred in February, 1943, to the University of New Hampshire. An emergency regulation of the State Board of Education allowed high school seniors to receive credit for college work toward graduation from secondary school.

The annual Heidelberg Prize Speaking Contest was held in the school auditorium May 7, 1943. The winners were as follows: First prize, Fay Kristl, "The Valiant" by Hall and Middemass; second prize, Shirley Nelson, "They Called Her Mousie" by Mason; third prize, Mary Crockett, "Mrs. Britchett Speaks On Strategy" by Streetes.

These prizes are made possible through the Heidelberg Prize Speaking Fund established by Mr. Herbert D. Swift. The Fund now amounts to \$524.64. The annual dividend is sufficient for the prizes.

An intensive course in Stenography and Advanced Typewriting was started last February for seniors, to prepare them for office work. We are continuing the course this year. There is such a demand now for trained office workers that a school that has the facilities should offer the necessary courses.

I sincerely appreciate the wholehearted cooperation of all who have worked so hard in maintaining the schools in these difficult times.

Respectfully submitted,

ALFRED W. SMITH,

Superintendent of Schools.
